UNIVERSITY OF THE SOUTHERN CARIBBEAN
SCHOOL OF SOCIAL SCIENCES
DEPARTMENT OF SOCIAL WORK

Please note that your Social Work degree is a generic degree; consequently, the choice of an emphasis does not restrict you to working in that area. However, it may give you a competitive edge if you choose to work in the area of your emphasis.

Practicum

Practicum is an essential part of the social work programme. Each student is required to complete 680 hours of practicum during their course of study. You qualify for practicum after successfully completing the core courses of Years I and II and the first assessment. The first 170 hours of your practicum will be completed during one semester while you are taking Foundations of Practice I and Field Instruction I. The following semester, you will complete the second 170 hours of practicum while you are taking Foundations of Practice II. Your final 340 hours of practicum will be completed in your last year of the Social Work programme. Students pursue Field Instruction II and Foundations of Practice III.

BSW Professional Seminar is selected as your final course of study.

Students who are interested in placements in Psychiatric Social Work are required to complete PSYC460 Psychology of Abnormal Behaviour **before** starting practicum.

Assessments

You are required to participate in two assessments during your social work training at the University of the Southern Caribbean. The first assessment will be held at the end of the second year and will take the form of a formal interview. The second assessment

will take place at the end of your fourth year and will be conducted as part of the BSW Professional Seminar.
