DIRECTOR'S MESSAGE

Ms. Stacyann Quintero

Greetings USCians,

Welcome to the first issue of *Library Buzz* newsletter, giving students, faculty, and alumni a peek into what's going on at the university library.

We are at the end of another third semester and an academic year. The COVID-19 pandemic has posed some challenges for all of us, but by the grace of God, we are coping and pushing through. The Forde Library endeavours to continue to meet your information and research needs, despite these challenging times.

I am pleased to announce that for the upcoming school year 2021/2022, all patrons can look forward to benefiting from interlibrary loans, where patrons can request electronic materials from other libraries. This is yet another milestone achievement in our efforts to continuously upgrade our electronic offerings and services.

To our Alumni and Seventh-day Adventist Membership within the Caribbean Union, for a subscription fee of TTD \$60.00 per month, you can now access our electronic resources, through providers such as EBSCO, GALE, ProQuest and PressReader.

So, please have a safe vacation! We look forward to meeting your academic and related information needs and continuing our partnership in the upcoming year. Blessings!
