The details of coverage under this plan are listed in the Student Health Insurance Handbook which is available on the University website.

Health/medical insurance coverage is compulsory for all international students and all students who reside in the University's Residence Halls. If a student for whom health/medical insurance is compulsory has a personal plan and prefers not to subscribe to the University's group plan, he/she must provide an official letter from his/her health/medical insurance provider stating that he/she is covered. The University reserves the right to pronounce on the adequacy of such personal health/medical insurance coverage.
